

HELPS TO SUPPORT IMMUNE FUNCTION IN THE UPPER RESPIRATORY TRACT

RESPIRATORY VIRAL INFECTIONS ARE PREDOMINANT DURING THE FLU SEASON.

SubtivrTM provides an innovative combination of ingredients that support antibody production, stimulate the immune system, and attack pathogens with a focus on the respiratory system. While standardized bovine colostrum provides Immunoglobulin G (IgG), *Bacillus subtilis* stimulates the production of Immunoglobulin A (IgA). IgA antibodies are very important for lung health and can neutralize viruses. **Andrographolide** can reduce symptoms severity in upper respiratory tract infections.

MEDICINAL INGREDIENTS.

Each vegetarian capsule contains:

<i>Bacillus subtilis</i> DE111 whole cell	2 billion CFU
<i>Andrographis paniculata</i> herb	250 mg
providing: 30% Andrographolide.	75 mg
Bovine Colostrum (<i>Bos taurus</i>)	250 mg
providing 30% Immunoglobulin G (IgG)	75 mg
Garlic (<i>Allium sativum</i>) bulb 100:1 extract	10 mg

NON MEDICINAL INGREDIENTS:

Microcrystalline cellulose, ascorbyl palmitate, hypromellose (vegan capsule shell).

RECOMMENDED DOSE:

Adults take 1 capsule 1-2 times per day.

Does not Contain: Egg, gluten, wheat, soy, corn, yeast, nuts, artificial sweeteners, preservatives, colors or flavors.

CAUTIONS:

Consult a health care practitioner prior to use if: you are taking blood thinners or protease inhibitors, you have fever, vomiting, bloody diarrhea or severe abdominal pain, if you have diabetes, a history of cancer, or suffer from an immune system disorder (e.g. Crohn's disease, myasthenia gravis, multiple sclerosis, rheumatoid arthritis, systemic lupus erythematosus, HIV/AIDS, etc.) or if you are taking medications to suppress the immune system (immunosuppressive medications). Consult a health care practitioner if symptoms persist or worsen. Stop use if hypersensitivity occurs. Stop use and consult a health care practitioner if symptoms of digestive upset occur, worsen and/or persists beyond 3 days. Do not use if you are pregnant or breastfeeding, or if you have a known allergy to cow's milk. Sealed for your protection. Keep sealed, store in a cool, dry place at 15–25°C. **Keep out of reach of children.**

DID YOU KNOW?

Bacillus subtilis produces a large number of antimicrobials.

PROVITA - A STORY OF LOVE AND HEALING -

Our founder, Dr. Lucien Delcea, started Provita out of necessity. His wife was ill. And when drugs failed her, he began his search for an alternative. Before Provita launched in 2005, he sifted through countless hours of research; counseling with some of the top European naturopaths to produce more progressive support for the body's functions. Dr. Delcea came to understand the body's healing process; how it could naturally overcome disease. All it needed were triggers to properly recognize and absorb nutrients for self repair. Provita is not just a natural health line - it's an understanding of the body's own mechanisms. Dr. Delcea's now healthy wife is testament to that.
