DIRECTIONS:

- Break apart tablet with teeth.
- With a wet toothbrush, brush against the tablet pieces to create foam.
- Continue to brush as usual for 2-3 minutes and rinse.

KEY INGREDIENTS:

Nano-hydroxapatite (nHAp) (10%): remineralizes and strengthens tooth enamel, fights cavities and tooth sensitivity, and helps restore natural whiteness and smoothness

Xylitol (35%): natural sweetener from birch bark; helps treat dry mouth and prevent cavities by increasing saliva production

Aloe vera: powerful anti-inflammatory and antibacterial properties; fights plaque and gingivitis

Grapefruit seed extract: helps maintain fresh breath and proper balance of mouth bacteria

Natural mint extracts: provide a minty-fresh feeling and a cooling sensation

Activated charcoal: helps detoxify and gently remove surface stains
